∨ Staffing Information ∨

School administration and instruction for school year 2002-03 are provided by:

Position	Number	Position	Number
Administrator	2.00	Teacher	49.00
Other Professional Staff	10.00	Teacher Aide	21.00

Educational Attainment by Years of Teaching Experience of Current Teaching Staff

		Degre	8	
Experience	Bachelor's	Master's	Doctorate	Other
3 or fewer years	3	1	0	0
4 to 6 years	8	3	0	0
7 to 9 years	1	0	0	0
10 or more years	15	18	0	0

∨ Shared Responsibilities ∨

School —

It is the responsibility of all Peoria School District employees to provide all students with the best learning environment and the best opportunities to learn. In addition to providing safe, attractive school campuses, each school invites and maintains high parent involvement. There are many opportunities for parents to be informed and active in their child's education.

Parents -

The responsibilities of the parents are to work cooperatively with the school and maintain communication so as to help ensure that students are successful and reponsible.

∨ Transportation Policy ∨

Transportation is provided for all eligible students who reside within the attendance boundary but beyond one mile of Desert Valley School. Additionally, transportation services are provided for eligible special education students to Desert Valley Elementary School or other facilities as noted in the student's IEP.

∨ Indicators of Success ∨

Information provided on this page is based on historical data, primarily from the previous school year, 2001-02.

2001-02 School Achievements/Accomplishments

- w National Junior Honor Society raised fund for the September 11, 2001 Disaster Fund.
- w Special Needs students have set up the Diamondback Den Store to sell books and supplies to the students.
- W Desert Valley Elementary School was recognized as W Students participate in charity drives including an A+ School through Arizona's recognition program. It was one of six elementary schools to be recognized with this award.
 - canned food drives and St. Jude's math-a-thon.

Student Information: 2001-02 Student Activity Rates

		Arizona					
	School	K-6	7-8	9-12			
Attendance Rate	95.0 %	95.0 %	94.0 %	94.0 %			
Transfers Out 4	4.0 %	19.6 %	19.5 %	20.5 %			
Transfers In ⁵ : Within District	5.0 %	2.7 %	2.2 %	2.0 %			
Transfers In ⁵ : Out-of-District	3.6 %	9.7 %	9.6 %	9.5 %			
Promotion Rate ⁶	99.2 %	98.4 %	97.8 %	94.8 %			
Retention Rate ⁷	0.8 %	1.5 %	2.1 %	5.2 %			
Dropout Rate ⁸	NA			9.5 %			
Status Unknown ⁹	NA			6.0 %			

Students reported as "dropouts" who may have returned to school for the following academic year are not accounted for in this report.

√ School Honors √

Awards or special recognition honors received by the school, staff or students:

Award/Honor	Year
A+ Arizona School Award	2001
PEEF Grant Recipients	2000
Selected as Technology Demonstration School	2002
Pride of Peoria Teacher Recognition Recipient	2002

⁴ Transfers Out: Percentage of accountable students withdrawing to continue studies in another school or to be taught at home for the 2001-02 school year.

⁵ Transfers In: Within District: Percentage of accountable students entering school who were previously enrolled in another Arizona public school within the school district during the 2001-02 school year. Out-of-District: Percentage of accountable students entering school who were previously enrolled in another school district during the 2001-02 school

⁶ Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2001-02 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

⁷ Retention Rate: Percentage of students retained at the end of the 2001-02 school year.

⁸ Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 2000-01 school year, to include activity during the summer of 2001. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate, Dropout Rate and Status Unknown Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate and the Status Unknown Rate but not in the Promotion Rate and Retention Rate. Data for 2001-02 is not yet available.

⁹ Status Unknown: Percentage of students unaccounted for by any method during the 2001-02 school year. Status unknown students are not necessarily dropouts.

∨ Academic Achievement Indicators ∨

Arizona's Instrument to Measure Standards (AIMS) is designed to measure student achievement of the Arizona Academic Standards. Effective with the high school Class of 2006 (eighth graders in 2001-02), students must "Meet the Standard" or "Exceed the Standard" on all portions of AIMS or pass an AIMS Equivalent Demonstration (subject to approval by the state Board of Education) in order to be eligible for a high school diploma. High school students who did not attain "Meets the Standard" or "Exceeds the Standard" in reading, writing and mathematics will have additional opportunities to retake the test in their junior and senior years. Students in grades 3, 5, and 8 also take AIMS.

AIMS Results¹, 2001-02

Grade 3		Number Tested		FFB	Α	М	E
Reading	School	67	541	1%	6%	54%	39%

	State	57734	459	39%	40%	14%	7%

¹Results reflect student performance on the English form of AIMS.

∨ Mathematics Education and AIMS ∨

On April 24, 2000, the state Board of Education amended the high school graduation requirements to include the following: "Effective with the graduating class of 2004, the two required math credits shall be taken consecutively beginning with the ninth grade and course content shall reflect Academic Standards preparation for proficiency at the high school level." Parents should verify with the school that their ninth grade students are enrolled in one or more mathematics courses that provide instruction in the state Board-adopted mathematics standards that lead to proficiency in high school. Students who begin the ninth grade during the 2001-02 school year should be enrolled in a mathematics sequence that is aligned to the state's mathematics standards and includes instruction in the concepts and performance objectives that will be assessed by AIMS. The Board's amendment to the high school graduation requirements should not be interpreted to mean that all ninth grade students must be enrolled in any *particular* course. **The Board's intent is to assure that all ninth grade students are enrolled in courses that prepare students for success on AIMS**.

Legend

MS - The Mean Scale Score (average) on a 200-800 scale.
A student must have achieved a scale score of 500 to meet the standard. Scale scores are not comparable among content areas.

FFB - Percent of students who Fell Far Below the standard

- A Percent of students who Approached the standard
- M Percent of students who Met the standard
- E Percent of students who Exceeded the standard

²Class of 2003 is the cohort of students who began 9th grade during the 1999-2000 school year.

^{**}Items of data containing information about fewer than ten students have been replaced with (**) to protect student privacy.

⁻⁻Some columns contain dashes (--) to indicate "not applicable" or "no data available."

∨ Academic Achievement Indicators ∨

Since 1997, students have been tested in reading, language and mathematics using the *Stanford Achievement Test, Ninth Edition*, a standardized, nationally norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested using the Stanford 9, though other grades have been tested in the past (grades 10-12 in 1997 and 1998, grades 10-11 in 1999 and 2000, and grade 1 reading in 2001).

The percentage (%) of eligible students tested and the school's percentile ranks are presented below. State average percentile ranks (AZ) are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades.

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with (**) to protect student privacy. Some columns contain dashes (--) to indicate "not applicable" or "no data available."

∨ Measure of Academic Progress ∨

Arizona's Measure of Academic Progress (MAP) is an indicator of student academic growth from one year to the next. The results are based on the *Stanford Achievement Test*, *Ninth Edition* (Stanford 9), given in 2001 and 2002. MAP includes only those students who were tested both years in consecutive grade levels at the same school or who started the school year in the same school in which they were tested in 2002. A student achieves One Year's Growth (OYG) if he or she remains in the same Stanine or advances a Stanine from one year to the next. The percentage of students achieving OYG at the school is reported below.

The MAP is an elementary school (Grades 2-8) indicator only.

	Reading	Math
	Percentage of Students Achieving One Year's Growth	Percentage of Students Achieving One Year's Growth
Grades 2-3	66	52
Grades 3-4	81	88
Grades 4-5	66	73
Grades 5-6	69	78
Grades 6-7	83	70
Grades 7-8	71	76

∨ School Safety ∨

The purpose of this section is to provide parents information about what the school is doing to promote a safe and healthy learning environment.

School-level Efforts to Ensure a Safe and Healthy Learning Environment

Our school Leadership Team routinely revisits and revises our school Crisis Manual. Our intent is to be current and proactive with new policies and expectations, as well as have a consistent plan in place for staff. Furthermore, students practice crisis situations throughout the year in order to be better prepared.

Total number of incidents that occurred on the school grounds that required the intervention of local, state or federal law enforcement (A.R.S. § 15-746.6).

3

School uniforms are not required at this school.

The Arizona Attorney General's Office has a hotline that allows students to report suspicious activities at schools and to get help with potentially violent situations, such as bullying, harassment, hate crimes, discrimination and gangs. The toll-free number, **1-877-900-1086**, is anonymous and available 24 hours a day.

⁹ Stanines are normalized standard scores that range from a low of 1 to a high of 9, with 5 designating average performance. National Stanines, like National Percentile Ranks, indicate a student's relative standing in the national norm group (Source: Harcourt Educational Measurement).

\lor Per Pupil and School Expenditures for the 2000-2001 School Year \lor

Expenditure Category	*Per Pupil Expenditures by Category	School Expenditures by Category
Classroom Instruction	\$3,651	\$2,586,564
Classroom Supplies	\$20	\$13,959
Administration	\$419	\$296,858
Support Services-Students	\$317	\$224,276
Other Support Services and Operations	\$672	\$476,355
Total Expenditures- All Categories 2000-2001	\$5,079	\$3,598,012

Total Expenditures may not be exact because of rounding. Information is self-reported by the district and is unaudited.

These are maintenance and operation expenditures and do not include capital expenditures such as facilities construction and buses. Classroom Instruction includes activities dealing directly with the interaction between teachers and students. It also includes activities of aides or classroom assistants that are involved in the instructional process. Classroom Supplies includes costs for items that are consumed, worn out or have deteriorated through use; or items that lose their identity through fabrication or incorporation into different or more complex units or substance. Administration includes governing board services, executive administration services, lobbying, office of the principal services and other support services for school administration. Support Services-Students includes attendance and social work, guidance, health, psychological, speech pathology, audiology services and other support services for students. Other Support Services and Operations includes support services for instructional staff, business support services, operation and maintenance of plant services, student transportation services, central support services, other support services, food service operation and bookstore operations.

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at www.ade.az.gov/srcs/ on the Internet.

"The Arizona Department of Education, a state educational agency, is an equal opportunity employer and affirms that it does not discriminate on the basis of race, religion, color, national origin, age, sex or handicapping conditions."

^{*} Based upon 2000-2001 Average Daily Membership (ADM). (School Expenditures divided by ADM)
